

5 DAY ITINERARY

Family

With an exciting mix of things to do for kids and adults alike, Dubai is the ultimate family friendly holiday destination.

With five days in Dubai here is an action packed itinerary that is certain to make the kids sleep at night!

Day 1

Start the day by travelling to the top of the world's tallest building, in the world's fastest lift! The 124th floor observation deck 'At The Top' of the Burj Khalifa has unobstructed 360 degree views of the city, desert and sea.

Grownups can spend the day shopping in Dubai Mall while the children spend time in one of the world's most imaginative children's attractions: Kidzania, a huge city-like complex, where kids can role play being adults!

Dubai Mall is also home to an Olympic sized ice rink where kids could play ice hockey or even attend a disco on ice! Then there's SEGA Republic indoor theme park which offers five zones of entertainment for all ages.

Before you leave Dubai Mall, stand back and enjoy the tranquillity of more than 33,000 fishes from 140 species swimming through the 10-million litre Dubai Aquarium in Dubai Mall. To get up close and personal with the fish, visit the Underwater Zoo. You can even jump in and swim with the fish!

Wrap up the day at the awe-inspiring Dubai fountain in the shadows of the world's tallest building. The music, light and water show shoots water jets as high as 150 metres.

Day 2

Start with some wet and wild adventures at the Wild Wadi water park which has more than 30 rides and attractions for all the family.

Later, one of the coolest things to do in Dubai is to ski in desert! Ski Dubai in the Mall of the Emirates is one of Dubai's landmark attractions and the Middle East's first indoor ski resort. It's a great attraction for all the family and offers different levels of ski runs and snowboarding courses. You can even enjoy an up-close and personal experience with the snow penguins that live in a specifically built a housing area that mimics an Antarctic environment.

Day 3

Take time out of the city to visit the impressive Hajar Mountains. Just a short drive away from the city these mountains play host to one of the locals' favourite past times – 'wadi bashing'. 'Wadi' is the Arabic word for valleys or dry riverbeds formed by streams that flow through the mountain range. A bumpy 4x4 drive through the wadis (or 'wadi bashing') is great fun - and isolated rock pools filled with fresh mountain water provide the perfect place to cool off.

Day 4

Spend the morning in fantastical labyrinth of underwater halls and passageways at The Lost Chambers in Atlantis.

The splash and screech your way through Aquaventure water park at Atlantis, one of the world's most advanced water-attractions, which features huge slides, 'Master Blasters', rivers, rapids, a dedicated children's play area, lush tropical landscapes and a private beach.

For a magical end to your day enjoy an up-close encounter with a dolphin - one of the world's most amazing and graceful creatures. This once-in-a-lifetime experience at Dolphin Bay, in the world-famous Atlantis resort is for all members of the family and a photograph to remember the experience is priceless!

Day 5

Spend your last morning relaxing and enjoying the calm turquoise waters of the Arabian Gulf at Dubai's beaches. If you want to squeeze in a bit more adrenaline time, why not visit the Dubai Autodrome where you can visit the laser tag game area, Laserdrome, or take karting driving lessons at the indoor Kartdrome.

For the most memorable end to your trip, head to Dubai's desert 'outback'. An afternoon safari trip will have you racing through the sandy dunes in four-wheel drives and will end at a desert camp. Here you will be pictured riding a camel, holding a falcon, trialling a belly dance and getting your hands or feet covered in henna, and enjoying tasty Arabic food before the trip home.
