Dubai is a world-class shopping destination, with some of the most spectacular retail developments that can be found anywhere. The Dubai shopping scene offers something for everyone. New malls feature designer boutiques, top brands and haute couture shops alongside an endless choice of restaurants and cafes so that shopaholics can refuel along the way!!

Traditional markets, known as the souks, are alive with the buzz of trade and the spirit of their past.

Tip

It can get cold. Sweaters or jackets may be needed for the winter months, especially in the evenings when the temperature drops. Pashminas or light scarves are recommended for cooler air conditioned spaces such as the shopping malls.
