Game drive, &Beyond Ngala Private Game Reserve

Travel is one of the best educations you can give your children. Here the experienced team at World Journeys share some of their favourite family travel recommendations.

CAPE TOWN & KRUGER

This 10-day family tour combines the very best of South Africa, staying in family friendly apartments and luxury safari lodges, with an enthralling safari in the pristine wilderness of Kruger National Park.

Enjoy four nights in a luxury serviced apartment in Cape Town's renowned V&A Waterfront within easy walk of restaurants, shops and entertainment venues. Enjoy a private tour of Cape Town including the cable car up Table Mountain, and Robben Island where Nelson Mandela was imprisoned for decades. Unique architecture and a great inner city vibe is coupled with a fascinating mix of Cape Malay, African and other cultures.

Embark on an easy guided bicycle tour in the beautiful Stellenbosch Winelands, with plenty of activities to keep the kids happy, allowing parents the chance to enjoy wine tastings.

From this sophisticated city you fly to &Beyond Ngala Private Game Reserve adjacent to world-renowned Kruger National Park—a pristine

wilderness home to a plethora of wildlife. Enjoy four nights at &Beyond Ngala Safari Lodge in a spacious 2 bedroom Family Suite with its own private pool and the use of a private safari vehicle. With a romantic colonial ambience, you'll find nostalgic safari memorabilia throughout. All inclusive, your evenings may offer a banquet in the elegant candlelit courtyard, or an African feast around the blazing boma fire. The Lodge's thatched dining, bar and sitting areas are open to the warm breezes of the inviting African bushveld.

Ngala is known for its resident elephant, buffalo and rhino, as well as its more elusive African wild dog, leopard and cheetah. Enjoy thrilling game drives morning and evening with expert guides who love to share their passion and knowledge of this precious environment. Kids will love the WILDChild programme of fun, interactive activities, discovering new experiences and cultures. Their WILDchild bag contains a logbook, crayons and pawprint tattoos. Each expedition is tailored to the interests and ages of the children and is carried out in the care of expert rangers, trackers, child minders and cooks.
